Re: Chemical Recovery Systems Site, Elyria, OH

Dear Ms. Sheppard-Johnson:

I am writing to confirm our telephone conversation of earlier today during which you agreed to extend the time for our client Stolle Corporation to submit its response to the Request for Information included in the General Notice letter dated March 2, 2001 regarding the above-referenced site. Specifically, it is our understanding that Stolle Corporation's response to the information request is now due on or before April 30, 2001. If this is not correct, please advise immediately.

Thank you again for your consideration in this matter.

Sincerely,

Patricia A. Shaw
